(Special to The Times-Dispatch.)
CHARLOTTESVILLE, VA., January 19.—The qualifying examination in Virginia for scholars under the Cecil Rhodes scholarship, which entitles the holder to three years at Oxford University, England, was concluded at the University of Virginia yesterday. Six candidates from the State were present, as follows:

This is the third examination that has been held in Virginia for the Rhodes scholarship. The first, in 1904, was won by William A. Fleet, of Culver, Ind., and the second, in 1905, by Beverly Tucker, Jr., of Norfolk, Va.

New Bristol Enterprise.
(Special to The Times-Dispatch.)
BRISTOL, TENN., January 19.—The Virginia Mining and Manufacturing Company was organized here to-day, with a capital of \$20,000. The stock is owned principally by Pittsburgh people. The officers are: Albert Zecher, president; J. A. Dick, vice-president; Ralph J. Richardson, secretary and treasurer.

Prof. Metcalf's Treat.
(Special to The Times-Dispatch.)
FREDERICKSBURG, VA., January 19.—Prof. Metcalf, of Richmond College, has been arrested here last evening under the auspices of the Fred-

TROUBADOURS used to go from place to place singing ballads. They were the entertainers of medieval times. The troubadour of our day is the Edison Phonograph. Instead of wandering from home to home, from castle to castle, every home and every castle has its own troubadour.

Your great-great-grandfather, the baron, kept a minstrel to entertain him in his leisure moments. You, at a less expense, can keep a better minstrel, one with greater range and more entertaining ability, if you have an Edison Phonograph.

The songs that it sings, the music that it plays, are gathered from the whole world and from all times. The music of every musician, the fun of every amuser, are all expressed in the form of convenient records to be put in at will and produced without stint.

Veterans Will Have To Raise Much Money

The Confederate veterans of this city, who are straining every nerve to raise the money they need for the expenses of the coming reunion, which will necessitate a total expenditure of about \$45,000, are greatly rejoiced to see the contributions mount up to over \$3,000, but the canvassers nevertheless realize that they have a wearisome path before them.

Here is the latest list of those who have lent the old soldiers a helping hand in their unselfish work:

E. G. Leigh, Jr.	\$100
James H. Dooley	100
Oliver J. Sands	50
S. T. Morgan	50
Previously received	2,950
Total to date	\$3,250

Of the entire sum needed for the entertainment of the 60,000 or more visitors on the occasion of the reunion, it is believed that the city will contribute \$15,000, or \$20,000, while the veterans will have to raise the rest as best they may.

Richmond Reading Club. The lecture was on "Shakespeare's Lyrics," and the large rooms of Aern Lodge, L. O. O. F., were crowded with a cultured audience, which greatly enjoyed the literary treat.

IN POLICE COURT.

Alleged Slayer of James Taylor Sent to Grand Jury.

Eddie Adams, the negro who is alleged to have shot and killed James Taylor on Christmas Day, was given a hearing in Police Court yesterday morning and was sent to the grand jury.

Two men, who expectorated on the sidewalk, paid \$2.50 each, and were given a warning.

The drunks escaped, but the two young white men who were charged with being vagrants will spend thirty days with the City Sergeant in the Hotel de Junk.

PEONAGE CHARGED; ARREST FOLLOWS

Tidewater Railway Contractor in the Toils of the Law.

ROANOKE, VA., January 19.—Giovanni Sarull, a railway contractor, filling a contract with the Tidewater Railroad Company near Roanoke, was arrested yesterday on a charge of peonage by United States Deputy Marshal Aliff in Bedford county, and brought here, where he was held by United States Commissioner White in the sum of \$1,000 for his appearance January 25. The charge was preferred by Filemone Seneca, an Italian banker of Philadelphia. It is alleged that Sarull held a dozen Italian laborers against their will, and placed an armed guard over them with instructions to shoot them if they attempted to get away. The men escaped at night and went to Philadelphia, where they recited their experience to Seneca. Sarull declares there is nothing in the charges.

FAIRMOUNT

The Ladies' Auxiliary of the Masonic Home are preparing to take their friends on a trip "around the world" on Thursday evening. The tourists will begin the journey by starting from the grand central station, in America—the Masonic Hall, on Twenty-fifth Street—in automobiles of the colors of Iceland, and where refreshments will be served. From Iceland, the tourists will proceed to Japan, in the home of Mrs. W. A. Cheatwood, No. 2110 East Grace Street; thence to Germany, in the home of Mrs. S. H. Lamkin, No. 1819 E. Broad Street. Refreshments will be served free in each of the countries, and the guests will have difficulty in detecting the difference between the real countries and their immediate surroundings, so profusely will the rooms be fitted up in the colors of each.

After taking in the trip, they will return to America, where an elegant supper will be served in true American style.

Mrs. Billups, of Iceland, will be assisted in receiving by Misses Pearl Gentry, Wood, in Sweden; Betty Welch, Mrs. Oscar Parrish, and Mrs. E. Baker. Mrs. Cheatwood, of Japan, will have as her assistants, Mrs. E. Moore, Mrs. Richard Anderson, Mrs. Harker, Mrs. William Webber, Misses Lillian Gentry, Minnie Vadday, Bessie Caldwell, Marie Cheatwood, Annie Tanner, Mrs. Lamkin, of Germany, will have receiving with her Misses Louise White, Florence Stearns, and Mrs. J. S. Moore. Mrs. H. M. Barbour, Mrs. J. A. Gentry, Mrs. E. Phipps, Mrs. George Troxler, Mrs. Johnson, Mrs. Ridman, Mrs. Carter, and Mrs. B. H. Ford. Mrs. Cousins will have charge of the candies.

The first party of tourists will start from the station at ten o'clock, others following every half hour.

LUMBERTON CLOSES POOL-ROOMS EARLY

Passes Ordinance Which Will Well Nigh Put Pool-Rooms Out of Business.

LUMBERTON, N. C., January 19.—At a meeting of the city Aldermen to-day a law was passed which will close all pool-rooms to close at 6 P. M. This would seem a rather strict law, since most of the pool-rooms are patronized at this hour. No reason was given for this action.

Work has begun on the new railroad which is to be run from here to a point near Hope Mills, N. C., where it will connect with the Atlantic Coast Line. No doubt this road will prove a great benefit to this place, as it will open up a section of the county which heretofore has been hard to reach. The name of the company which owns and manages this road is the Carolina-Virginia Southern Railroad Company.

Work is rapidly progressing on the new residence of Mr. L. E. Whaley, on the corner of Elm and Sixth Streets, and it will doubtless be one of the finest dwellings in the city when completed.

The drug store of Dr. J. D. McMillan & Son, which has been completely remodeled and refitted, is one of the nicest of its kind in this section of the country and is a credit to the business section of the place.

DR. STEWART DECLINES INCREASE OF SALARY

The board of deacons of the Church of the Covenant at their first meeting in the new year took action to-day in increasing the salary of their pastor, Rev. Dr. J. Calvin Stewart, from \$1,500 to \$1,800 per annum. This was a well-deserved tribute and comes as a splendid inspiration to Dr. Stewart for more faithful service and devotion to his well-beloved people.

It is understood, however, that Dr. Stewart will decline to accept the increase, though he may need it, with the many calls constantly made upon a minister's purse and the increased cost of living. He declares that when he goes the earnest and self-denying efforts of his people to erect their much-needed new church building, he cannot conscientiously allow this increase at this time.

The board of deacons of the Church of the Covenant is composed of Messrs. Robert Lecky, Jr., George W. Parsons, Dr. H. S. MacLean, George Stevenson, Kemie Percy C. Christian, H. L. Denoon, William L. Walters, and Nathaniel Frazer.

Robert Schaefer is the church treasurer. Mr. Nathaniel Frazer and Mr. Schaefer have lately been elected to the deaconate of the church.

PRESENT PAPERS TO CONFEDERATE MUSEUM

Members of the Confederate Memorial Literary Society and of the Richmond Memorial Association will assemble in the Confederate Museum to-morrow afternoon at 1 o'clock, to meet Miss Mary Ritter Shea, of New York, who will, at that time, present to the museum, a number of valuable papers bequeathed to her by her father, who was counsel for the late President, Jefferson Davis, during the time of the latter's trial, during 1868-1869.

Miss Shea, who is a niece of President Davis, is the daughter of George Davis, of Cork, Ireland, later of New York City, where he was called to the bar and attained distinction in the practice of his profession. He was corporation attorney of New York from 1865 to 1867, and was Chief Justice of the Marine Court of New York from 1878 to 1882. He was associate counsel with Charles O'Connor, in defending Jefferson Davis. He wrote the Life and Epoch of Alexander Hamilton, and was widely known as an author of ability, but his chief claim to the estimation in which he is held by the South, rests upon the zeal and energy which he displayed in his defense of Mr. Davis.

It is needless to enlarge upon the value of the papers which his daughter will bring as a gift to the Confederate Museum on Monday. The mere statement of Mr. Shea's defense of Jefferson Davis is an assurance of their intrinsic worth, and
